

# How to Download and install iSpring

Go to the following site:

[http://www.ispringsolutions.com/free\\_powerpoint\\_to\\_flash\\_converter.html](http://www.ispringsolutions.com/free_powerpoint_to_flash_converter.html)

Click on the "Download now" button

The screenshot shows the iSpring website's product page for the 'Free PowerPoint to Flash Converter'. The page features a navigation menu at the top with options like 'Products', 'Solutions', 'Downloads', 'Purchase', 'Support', 'Community', and 'Company'. The main heading is 'Free PowerPoint® to Flash® Converter'. Below this, there is a large image of the software interface and a prominent green 'Free Download' button. A red arrow points from the text 'Click on the "Download now" button' to this button. To the right, there is a section for 'Online Presentations' featuring 'iSpring Pro 5.7' with a 'Try Free' button and a 'Check Price' button. Below that, there is a list of features for iSpring Pro, including 'Voice Overs recording & sync', 'Highly customizable players', and 'Your branding and presenter info'. At the bottom, there is a section for 'E-Learning Authoring' featuring 'iSpring Presenter 5.7'.
